OFFICIAL NAME: Automotive Aftermarket Products Expo (AAPEX)

DESCRIPTION: AAPEX represents the more than \$1.6 trillion global automotive aftermarket industry and historically features 2,500 exhibiting companies representing 40+ countries. Exhibitors display their latest products, services and technologies that keep the world's 1.3 billion vehicles on the road. The show floor has previously included 5,450 booths and 33 pavilions, occupying 560,000 net square feet of exhibit space. An extensive education program features advanced technical and business management training on a range of topics including electric vehicles, advanced driver assistance systems (ADAS), diagnostics, telematics, underhood and undercar service, financial strategies, service advising and the automotive aftermarket outlook for 2022. Historically, approximately 49,000 targeted buyers from 110+ countries attend AAPEX, with more than 163,000 automotive aftermarket professionals in Las Vegas during AAPEX and the SEMA Show.

NEW FOR 2022: Repair Shop HQ, located on Level 1 of The Venetian Expo (formerly the Sands Expo), will continue to expand to meet the needs of today's service professionals. A new Transmission Supplier Section will join other dedicated areas in Repair Shop HQ, including Diagnostics/Telematics, Alternative Fuel, Tire Servicing and Tool & Equipment.

Joe's Garage, a fully built-out shop on the show floor, will expand from eight bays to 10 bays to accommodate the demand for product and equipment demonstrations.

Level 2 will be enhanced with Automotive Aftermarket Central to showcase the inventory that service and repair professionals, retailers and warehouse distributors need to meet customer demand and keep cars on the road. A new E-Commerce Distribution section will be added and the Mobile Heat Transfer/Heating/Air Conditioning section will relocate to Level 2.

For the first time, AAPEX is expanding into the new Caesars Forum Conference Center, which is easily accessible from The Venetian Expo via a new, short footbridge.

AAPEX FEATURED SECTIONS: Alternative Fuel, Tool & Equipment, Diagnostics/Telematics, Tire Servicing, Transmission Supplier, International, E-Commerce Distribution, Automotive Technology, Aftermarket Warehouse Distributors Association (AWDA), Import Vehicle Community, Mobile Heat Transfer/Heating/Air Conditioning, Paint, Body and Equipment and Remanufacturing.

AAPEX CO-OWNERS: AAPEX is co-owned by the Auto Care Association and the Automotive Aftermarket Suppliers Association (AASA), the light vehicle aftermarket division of the Motor & Equipment Manufacturers Association (MEMA).

ATTENDEES: AAPEX attendees represent independent repair shops, auto parts retailers, auto parts warehouse distributors, auto parts program groups, jobbers, national service chains, vehicle dealers, engine builders, fleet buyers and paint and body personnel.

EXHIBITORS: AAPEX exhibitors offer products and services in nearly 1,300 product categories, including, but not limited, to those listed below.
